

Pie Day 2024!

How it works — We provide you with an email template and postcard template. You email, mail and CALL your customers to invite them to come into your office for coffee and a homemade Apple Pie for their Thanksgiving Table. You then turn in to Lynn Croft how many pies you would like to order.

The pies can be picked up on Nov 26 between the hours of 12:00 pm - 4:00 pm

The postcard template can be modified with your personal information by our Marketing Dept so you can mail to your database.

You will have a choice of the following 2 bakeries. We used them last year and everyone was happy!

Importico: 10" pie 24.99 (If we order over 350, there will be a 10% discount)

Fresh Market: 9" pie 15.00

Deadline to order - October 28

Event Date- November 26
